Sir:

The above-referenced patent application was initially unintentionally filed with a nonpublication request. A foreign filing occurred one day prior to the filing date of the present application. It is believed that the patent application became abandoned for failure to timely notify the Patent and Trademark Office of a foreign filing. The entire delay from the due date for notification until the filing of a grantable petition pursuant to 37 C.F.R. 1.137(b) was unintentional. Accordingly, Applicant hereby petitions for revival of the lapsed patent application. In compliance with the provisions of 37 C.F.R. 1.137(b), Applicant has attached herewith the following:

- (1) Small-entity petition fee of \$665 (37 C.F.R. 1.17(m)); and
- (2) Rescission of Previous NonPublication Request and Notice of Foreign Filing.
